ICCA
Mission

The ICCA is a membership organization dedicated to promoting community-based corrections for adults and juveniles to enhance public safety. ICCA, as a private, non-profit, membership organization, acts as the representative voice for residential and other community corrections programs. As such, it expects of its members compassion, belief in the dignity and worth of human beings, respect for individual difference and a commitment to quality care for its clients. It requires of its members the professional background, research and expertise necessary to ensure performance of effective quality services delivered with integrity and competence. ICCA affirms that its primary goal is the successful re-integration of the client into the community.
